ROYAL II.'S LATONIA DERBY

GOOD IMPORTED COLT TAKES BIG RACE IN CLOSELY CONTESTED FINISH WITH TETAN.

Grand Attendance Views the Sport-Waterblosson Continues Her Victorious Career-Emerson Cochran Disappoints.

Cincinnati, O., June 12.—Jefferson Livingston's English-bred colt. Royal II., this afternoon accounted for the rich Latonia Derby, worth \$10,125 net to the winner, after a terrific drive with the outsider. Tetau. Ganz gave the winner a superb ride and this was a prime factor in the colt's success. The courage of Royal II. was tested to the utmost during the final three-eighths of the mile and a half journey, for he was forced to sustain a drive that would have caused a less stout-hearted racer to succumb. Tetan maintained a steady pace and it was only in the last sixteenth that he tired sufficiently to enable Royal II. to get his neck in front. Dortch showed a good performance to retain third place for almost the entire distance. By finishing fourth Loc Ray saved his stake. The disappointments of the race were Rancher and Emerson Cochran. The latter quit badly after going three-quarters. Seven started in the race, Uncle Bryn having been added. Tetan was looked upon as a doubtful starter, but at the last moment his owner decided the rich prize worth taking a chance for and he mearly furnished an upset.

All records for attendance for the course were broken this afternoon. The crowd filled every available part of the new spacious plant, with an overflow in the infield. The volume of speculation was in proportion to the big crowd. One of the best cards offered by any of the Kentucky courses this season was provided and resulted in excellent sport, ideal weather conditions prevailed and contributed towards the enjoyment of the enormous assemblage.

tributed towards the enjoyment of the enormous assemblage.

Waterblossom continued her perfect score for this season when she won the mile and a sixteenth handicap that served as a secondary feature, but she was put to a hard drive to beat Prince Hermis and Hodge. The Livingston establishment made it a double for the afternoon when Iron Mask showed a flash of his old-time form and accounted for the sprinting handicap, winning quite casily over The Norman and Bradley's Choice with Leochares trailing.

Jefferson Livingston, who brought a party here from Chicago, to see Royal II. run in the Derby, was highly gratified by the victory and gave equal credit to trainer Brandt and jockey Ganz for the success. Both were substantially remembered. The victory was a popular one, for the owner has shown good sportsmanship in maintaining the big racing establishment he does in the face of many racing disappointments. Mr. Livingston was heartily congratulated.

The extra race next Tuesday will be run as the advance fund selling purse.

J. D. Atkins, trainer of the R. J. Mackenzie establishment, came over from Louisville this morning and stated that his horses were on the alling list and it is problematic when he will ship from Churchill Downs.

T. J. Brown, who was warned off the course at Douglas Park for the alleged offering of a bribe to jockey Mechan, has requested a hearing from the stewards and he will probably get it tonight. It is runnered that Brown intends to make sensational disclosures involving several owners.

Owner Livingston gave \$1,000 each to jockey Ganz and trainers H. R. Brandt and P. T. Chinn. The latter bought the colt for Mr. Livingston last year in England.

General Manager Hachmeister stated after the closing race that today's attendance and volume of speculation broke all records for the course.

HARMONICON BEATEN BY FAST COQUETTE.

Jamaica Racing Attracts a Great Crowd to View Excellent Contests Throughout the Day

Excellent Contests Throughout the Day.

New York, June 12.—One of the best programs provided in the east this season was disposed of at Jamaica today and an immense crowd was on hand. The Paumonok Handicap, at three-quarters of a mile, was the principal feature of the card and it attracted a great field of sprinters. Harmonicon, making his first appearance in this country, ruled a decided favorite, but the big son of Disguise had to be content with second place, as the speedy and game Coquette dashed into the lead right at the start, made all the pace and lasted it out resolutely. Harmonicon was a forward contender throughout, but could not overtake the filly. Hester Pryme was third. The race was worth \$1,475 net. Amalfi, evidently benefited by the warm weather, ran one of his best races to win the second at a mile and an eighth. The Wilson horse was badly outpaced in the early running, but making up ground gradually, wore the leaders down in the final strides. Second in importance to the Paumonok Handicap was the fifth race, at one mile and a sixteenth, which brought out another good field. The stable of L. S. Thompson again furnished the favorite whea Slumber II. was installed first choice and made good in decisive fashion. Double Eagle and Flying Fairy made the running to the stretch turn, where Notter brought Slumber II. up with a rush and he drew away in the final eighth.

Lily Heavens secred over the well-backed Tralee in the first after leading all the way. After the finish the stewards had the riders of both horses in the stand as a result of Buxton's claiming a foul at the hands of the winner right after the barrier went up. After a lengthy dealberation the claim of foul was disallowed.

The attendance was even better than that of the opening day Thursday. The clubbonse delegation was especially strong and the lawn was almost covered by the immense crowd.

Former President Huerta of Mexico was a visitor today and the guest of under-sheriff Mitchell of Nassau county.

citing Finish with Commonada—Back Bay Beaten.

Montreal, Que., June 12.—A crowd of close to record number turned out at Blue Bonnets this afternoon. The day was ideal for outdoor sport and Montreal racegoers took advantage of it. The clubhouse contingent was especially well represented. Among those present was 1, K. L. Ross, who obtained leave of absence from the British naval service for the day. Mr. Ross had the pleasure of witnessing his good fencer Bryndown win the Irince of Wales Steeplechase. Bryndown was one of four starters that went to the post in this stake. He was ridden by M. O'Connor and after being a distant trailer in the early running closed up with a rush and drew away into a long lead at the end. Weldship, a great favorite with cross-country enthusiasts in Canada, was second, and L. W. Garth's promising jumper Sun King was third.

The big feature of the afternoon was the Windsor Hotel Cup, a dash of one mile and an eighth, with \$1,500 added. This race developed a splendid contest, in which Kingly beat Commonada was rushed to the front and set a fast pace. In rounding the farturn Kingly passed him and just when he appeared likely to be an easy winner, Commonada came again and regained the lead. At the sixteenth post it appeared all over but the shouting, but Jackson became careless and stopped riding. Metcalf never let up on Kingly, however, and the latter, responding with great courage, made another game effort and, wearing Commonada down, get up in the final strides and snatched the victory from Commonada just as the finishing line was reached.

The defeat of Back Bay in the three-quarters handicap was one of the real disappointments of the afternoon. Back Bay failed to show that keen turn of speed he so often displays and the finish failed to find him among the first three.

Amphion and Hampton Dame were excused from starting in the first race by the stewards. The former bled in his work-out this morning, while Hampton Dame came out of her race yesterday cut down.

Hampton Dame came out of her race yesterday cut down.

Jockey Callahan was suspended for the rest of the meeting for rough ridding.

J. R. Walker has disposed of the horse Bendel to N. Macfariane. The latter turned Bendel over to Allan Buleroft, who will handle him in the future. Sheridan Clark, racing secretary at Connaught Park, and Al Rohrbach, manager of the Ottawa Jockey Club, were both visitors at Blue Bonnets this afternoon. They report five carloads of horses already on the grounds and that the plant has been overhauled since last fall. There is much interest in the coming meeting at Ottawa, which the management expects to be the best ever held at Connaught Park. On the opening day, which will be military day, a record-breaking attendance is looked for

for.

Clint Colby, who was taken ill here a few days ago, is reported to be holding his own and the doctors in the Royal Victoria Hospital now have hopes that he will pull through.

GENERAL NEWS NOTES OF THE DAY.

Russia claims to have stopped the German advance in Galicia, a dispatch from Petrograd saying: "The Russian infantry with surprising ease has inflicted a succession of great defeats on the Germans in castern Galicia. The main attack of the Teutons was at Mosciska with heavy guns. It was spent before the Germans reached the barbed wire entanglements of the main position. They retreated in the utmost disorder, leaving thousands of dead. Simultaneously, by clever strategy, the Russians started an enveloping movement against General Linsingen's army, which had crossed the Dniester near Zurawra. The Russian infantry drove the Germans from the woods. They annihilated an entire division and captured 261 officers, 9,300 men, seventeen field guns and forty-nine machine guns. The fighting lasted two days."

A dispatch from Rotterdam to the London Daily News says: "It now seems certain that the persistent pressure of the French on the German positions in the neighborhod of Arras is having a serious effect on the Germans, who, while officially pretending that the piecement advance of the French is of no importance, fully realize that these successes have, in the aggregate, now assumed dangerous proportions, Interest in the operations centers round the fight for Lens, which generally is regarded as the key position of this part of the battle ground. Reports today stale that for the last few days heavy fighting has been taking place to the south of Lens, particularly between Neuville and Ecurne, where the Germans have suffered great losses."

A dispatch of yesterday from Rome says: "It

A dispatch of yesterday from Rome says: "It is officially announced that the Italians have occupied Gradisca, six miles southwest of Goriza, in Austria-Hungary. Italian forces have captured Plocken, in Austria, close to the frontier. The in Austria-Hungary. Inflan forces have captured Plocken, in Austria, close to the frontier. The possession of this point is important, as it endangers Austrian communications. Plocken is fitteen miles south of the main highway between Laibach and Innsbruck. Haliam forces are advancing through Predi Pass, on the junction of the Laibach Railway at Tarvis, which lies about six miles on the Austrian side of the Halian border. Reports from Udine say that trains of wounded Italian soldiers are arriving there."

Italian soldiers are arriving there."

The Athens correspondent of the London Baily Express wired yesterday: "The allies are now fighting in the region of the town of Gallipoli, having arrived within four hours' march after terrific fighting. The extreme left of the allied forces threatens to encircle the enemy in the entrenchments to the north of the town. A great hattle has been in progress since Thursday around Maidos. The allies occupied two hills near Maidos.

President Wilson is preparing a new American note to Great Britain on the rights of neutral commerce, which will make the same demand of that government that the United States has already made of Germany—namely, that she shall adhere to the recognized principles of international law in her treatment of Americans and their property. in her treatment of Americans and their property.

NEW YORK LAW TO BE TESTED.

Mineola, L. I., N. Y.. June 12.—The grand jury of Nassau County will be asked to decide whether an indictment for bookmaking lies in the case of two men arrested at Belmont Park and brought up yesterday on a writ of habeas corpus before Supreme Court Justice Walter H. Jaycox.

William Pyatt and Charles Jandorf were held for the grand jury on June 3 by Justice Walter R. Jones at Hempstead for alleged bookmaking at Belmont Park. Yesterday Justice Jaycox denied an application for a writ of ceritorari and declined to accept a memorandum which Charles T. McCarthy, attorney for the men, desired to submit. On behalf of the accused men it was contended that no evidence had been submitted to put them in the class of professional bookmakers. District Attorney Wood insisted the law should be tested and maintained that the accused men had handed slips of paper to everyone who came along at Belmont Park. He said he was anxious to find out whether the amendment to the Agnew-Hart law for 1910 which made bookmaking with or without writing a crime, meant anything.

Justice Jaycox said there was sufficient evidence to held the men to the grand jury. He concluded that it was apparent they were betting with everyone who came along and that they were at Belmont Park for the express purpose of asking bets.

RACING DATES FOR 1915.

IMPORTANCE OF THE THOROUGHBRED.

Importance of the thoroughbred,

In a statement made in New York a few days ago, August Belmont said:

"The importance of racing in the United States can not be overestimated. Without it that type of horse which experts the world over pronounce the most perfect for the upbuilding of our general horse product would disappear. European countries have long known the worth of the thoroughbred sire, and they have bred to him because they wanted in their common horses the courage, quality, stamina, and other qualifications which are characteristic of the blooded horse everywhere. Racing gives a chance to eliminate the unsound and imperfect, and the sport is encouraged in every country where horse breeding has been reduced to a science, notably in France, Germany and Austro-Hungary, where fabulous sums are expended in the upkeep of breeding studs which are subsidized by these governments. "Many think that our government might prosecute this important work with more vigor than it has in the past, but I am one of those who think that the government has been making haste slowly. That things will move much more rapidly as soon as the breeders of the country became thoroughly alive to their opportunities is certain. Europe is bound to need horses in vast numbers when this war is over, and the United States will be overrun with buyers, who will not be satisfied with anything but the best. Outside of the cavalry remount and artillery horses, taken in such vast numbers by Europeans in the States have in the past decade been mainly confined to our standard-bred or trotting stock. That only the best sires and dams, with fast track records, were wanted is enlightening. It shows the tendency of the times, and points unerringly to the methods by which success has been achieved abroad.

"It behooves us to be awake when the call comes. The successful merchant always has the goods when his customer calls."
